### 7. Reading: Teenage Fashion Tips – Tick (✓) T for true and F for false.

Fashion changes, and it costs a lot to change all your clothes with every new trend. Sure, you want to look cool. But you can look cool if you have a classic wardrobe with some trendy pieces. Have these classic basics: denim jeans, a black skirt for girls and a pair of black trousers for boys, a white shirt, some simple T-shirts, and a hoodie. Mix these with some cool, trendy pieces like a pair of classy boots, T-shirts in fun colours, items with interesting logos or prints. Girls can add colourful scarves, cool ear rings and bright-coloured tights. A good belt can do wonders for both girls and boys.

Everyone wants to be comfortable in their clothes. First of all, buy the right size of clothes. The second step is to buy natural materials, like cotton.

How long do your clothes last? This is important for everyone, but especially important to teen boys who hate shopping. Also, it is often cheaper to buy good quality, because it lasts longer.

Take time to figure out the things you like. Be true to yourself! The best fashion look for you is what you are most comfortable in.
